

Call for Board of Directors Candidates

Each fall, at the annual association membership meeting, TIOA owners have the opportunity to participate in the Board of Directors elections. The Association's continued good will and wellbeing is dependent on receiving a slate of interested candidates for the Board of Directors positions under consideration. To that end, this call is being made for individuals to be placed on the Board of Director's ballot for election at the TIOA annual membership meeting to be held on Saturday October 16, 2010.

This fall, two Board seats will be up for election to three-year terms. The positions currently held by incumbents Gary Crandall and Mike Warden will be considered in the election.

In an effort to standardize board candidate applications, persons interested in running for the available positions should contact the TIOA Attention: Marge Mergen at PO Box 609, Cable, WI 54821 or by email to rcimarge@cheqnet.net to request a **Board Candidate Application Form**.

Completed candidate applications must be received by the TIOA no later than August 1, 2010. The late summer/early fall newsletter will include the names and resumes of those who are seeking the available TIOA Board positions.

Members who cannot attend the annual meeting will have the opportunity to vote via mail by proxy ballot, which will be included in the late summer/early fall newsletter.

Currently, the TIOA Board consists of seven members whose serve three-year terms. Terms are staggered so only a portion of the board positions are up for election each year. At this time, the TIOA board meets seven times a year.

We appreciate your help in finding interested candidates and can guarantee that dealing with the business of the TIOA is both challenging and rewarding.
